Subroto Cup is conducted by the Indian Air Force, with support from India's Ministry of Youth Affairs & Sports.[2] For years, it was organized by the Durand football tournament committee. In 1994, the Air Force Sports Control took over the Subroto Cup tournament and has been conducting it since then.

Preliminary inter-school tournaments are held in every state of India starting from Sub-division, district and division level culminating in the inter-school finals at the national level. The school teams, winning the state inter-school championships are then invited to participate in the main Subroto Mukerjee Cup Tournament at Delhi.

The tournament is on "Knock-out/League" system and is played in accordance with laws and rules relating to Football Association and as accepted and interpreted by the All India Football Federation (AIFF). The duration of the game has been reduced to 30 minutes each half with an interval of 5 minutes. In the event of a draw, extra time of 7 minutes each half with one minute's interval is allowed. If a match ends in a draw even after extra time the Tournament Committee may direct that the game be decided by enforcing the Tie Breaker Rule.
